

**REMARKS**

The present application is a U.S. continuation application of PCT Application No. PCT/IL02/00790, filed on September 25, 2002.

The present amendments are based on the claims as originally filed.

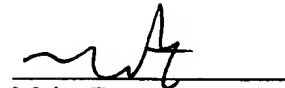

Claims 77-87 have been currently added and claims 1, 5, 30, 45, and 73 have been currently amended to better define the invention. The claims were amended and added in a Response to Written Opinion dated January 14, 2004.

An International Preliminary Examination Report has not yet been received. Applicants will forward a copy of the IPER as soon as it received.

An abstract on a separate page is attached hereto.

An examination on the merits is respectfully requested.

Respectfully submitted,  
Amir LOSHAKOVE, et al.
